

ARROWOOD MASTER ASSOCIATION

XIV. EXHIBIT E - Color Scheme Program

COLOR SCHEME PROGRAM

- ③ There is one paint store in the area that is designated by the HOA to provide suggested color schemes based on the [approved color palette](#). The paint manufacturer representatives had studied the Arrowood Community Colors and came up with the color palette for the community.
- ③ The store provides their own special paint discount to Arrowood Homeowners. However, they have other special sales year round. Homeowners will have to decide which the best deal for their project is. The Arrowood Master HOA has no control over the paints' price.
- ③ The store has a list of recommended painting contractors for Arrowood Master HOA Homeowners, with a special discount base price depending upon the home's square footage and either single story or two stories. Homeowners use their own judgment to select a painting contractor that works best for their project and at their own discretion. Arrowood Master HOA and its representatives assume no responsibility or liability for Homeowners' selection or hiring a painting contractor from the store's recommended list of painting contractors.

Sherwin Williams in Oceanside – Store 1530
1793 Oceanside Blvd
Oceanside, CA 92054-3453
(760) 757-7610

A brochure of color schemes can be found at the store in Oceanside and also on [the web site](#) under Arrowood Master HOA. To search for the Arrowood color schemes, using the web site address: <https://www.sherwin-williams.com/homeowners/color/find-and-explore-colors/hoa> , enter state, then city, then Arrowood Master HOA
