Notwithstanding the above restriction, commercial vehicles may be parked on the Lot or on the street for reasonable periods of time for deliveries and/or construction purposes.

As stated above, residents must be present AT ALL times during the use of the Common Areas by their guests. The Association's governing documents strictly prohibit members and others from using the Common Area facilities for commercial purposes.

ARROWOOD MASTER ASSOCIATION

Providing organized instructional swimming lessons in the Common Area pool is not allowed; any member of the Association providing swimming lessons or inviting or allowing a guest to provide swimming lessons, will be subject to disciplinary measures, including monetary fines. This provision shall not be construed to prohibit residents, their guests, or their family members from teaching swimming to residents, their guests, or their children.

There is NO LIFEGUARD on duty at the pool; swimmers enter the pool area at their own risk. To secure the pool area and to ensure a safe environment, a Pool Monitor ("PM") may be on duty during peak hours during the summer to enforce the pool rules and to ensure that only residents and their guests have access to the pool. The PM has the final authority in resolving any issues, including removing violators from the pool area.

The Pool Rules were established in order to provide you with a mutually beneficial safe and healthy environment, and to limit our liability as an association. The PM, Management Company (Avalon) and members of the Community Association's Board always have full authority at the pool and are authorized to institute additional rules or restrictions as conditions warrant.

2. Pool Access and Guests

Guests must be accompanied by an owner or tenant who presents the proper identification. Each household will be limited to four (4) non-resident guests while using the pool area.

The address and name on the person's ID must match the name and address of the person in possession of the access card as indicated on the Homeowner Record. Only active residents and registered guests with authorized access cards will be allowed to enter the pool area. Guests must be accompanied by Resident.

Pool Rules will be posted on the Bulletin Board from the sign-in window and are also available on the community website at www.ArrowoodMaster.com.

Residents may bring up to four (4) Guests at a time (per household).

The number of Guests can be limited based on attendance at the pool. The PM will make the determination.

The Association may request that the Owner provide reasonable information that the Board deems appropriate to ensure guideline compliance at any time is being met. 6. Owners and tenants agree if a violation of the governing documents is committed and there is not an adequate remedy at law, the Community Association shall then have the right to commence legal proceedings against both the owner(s) and tenants and, if necessary, to obtain injunctive relief for the violation.

A. Enforcement Policy

Any complaint alleging violation of the Master Association governing documents should be processed according to the procedure outlined below:

1. First, discuss with your neighbors any issues or concerns which are bothering you.
2. If you find you have difficulty dealing with your neighbor over a problem which is in violation of the Community Guidelines, contact the Association's Property Management Company.
3. In the event two or more Members of the Association or any member of the Board of Directors file a Community Guidelines Violation Report (see Appendix A), the Board will take the following steps:
 - a. Send a violation letter stating the alleged violation and date needed to cure such violation.

ARROWOOD MASTER ASSOCIATION

- b. Send a second letter with a notice of hearing date to the owner if the violation is not cured.
 - c. A hearing is set not less than fifteen (15) days from date of written notice for the hearing.
 - d. At the hearing, the Owner may be present, or present a written response, regarding the alleged violation at a hearing before the Board. A written decision will be sent to the Owner following the hearing.
4. The owner will be notified as to the decision rendered by the Board as a result of the hearing. If the owner is found to be in violation of the Community Association's documents, the Board will either (a) levy a Special Assessment, (b) temporarily suspend an owner's rights as a Member of the Association, (c) enter upon a Lot to perform maintenance which is the responsibility of the owner, (d) record a notice of noncompliance if allowed by law, or (e) a combination thereof.
 5. If the decision is to pursue a monetary fine, the Arrowood Master Association Fine Schedule will apply.

NOTE: A violation is defined as an act in conflict with the Community Declaration, Bylaws, Community Guidelines and Design Guidelines of the Association. Please be sure to read the CC&Rs carefully.

B. Fine Schedule

1. A letter will be sent to the Owner stating the alleged violation and recommended steps to cure said violation and bring it into compliance.
2. A second letter will also be sent to the Owner stating if the alleged violation continues and this letter will request the Owner appear before the Board for a designated in person hearing to address the violation, provide oral or written evidence, ask questions and participate in discussion, as well as make final statements to determine what future steps of action of the violation are required. The Board may determine final outcome and resolution at the hearing, or the Board may rule without the Owner being present within 10 business days in writing and enforcement procedures may commence as applicable.
3. If the result of the hearing is a monetary fine, a standard fine of \$100 for the first 30 days will be applied to the Owner's account. However, please note that at the hearing the Board, within its discretion and depending on the severity of the violation, may impose a starting fine of up to \$1,000.00 per violation and may double that amount for subsequent violations.
4. If the violation continues unresolved past 30 days, the fine will increase to \$200 for the 2nd month violation, \$300 for the 3rd month violation, and \$400 for the 4th month violation and so on, with a \$100 incremental increase for each additional month of violation until the homeowner's violation is fully resolved and is once again in complete compliance with the guidelines.
5. Any fines not paid may result in legal action and further collection action in accordance with California State law at the time and determination of the Board's discretion for any account status that has a balance of \$1,000.00 or more in unpaid violations.

ARROWOOD MASTER ASSOCIATION

6. In accordance with Article VII, Section 7.9 of the CC&Rs the Board may decide to use alternative dispute resolutions to effect a cure, and the Owner may be responsible for half the cost of legal fees and/or costs to the Arrowood Master Association for said resolution.
7. If the Board determines a violation to be especially egregious and if said violation is not fully cured after the 3rd notice of an offense, the matter will then be turned over to the Community Association's legal counsel for enforcement. Any additional legal fees and expenses incurred by the Community Association will be borne by the owner.
8. Should a violation occur which imposes a financial obligation on the Community Association, such as damage to community fencing, trees, buildings, or any other Common Property, the party responsible for said violation shall reimburse the Association by way of Special Assessment for this financial obligation.
9. If an owner is experiencing severe financial hardship at the time of a fine or Special Assessment, it is highly recommended that they contact Avalon Management in order to set up a payment plan and/or set up a special circumstances review meeting with the Board to discuss possible solutions to help prevent an escalation of legal proceedings and additional fines.

V. NUISANCE AND VIOLATIONS – OWNER REPORTS

Alleged violations must be reported to the Association by at least two (2) Owners representing two (2) different Residences in the Association if the violation cannot be readily identified during an inspection of the property. (Nuisance activities, dogs barking, etc.). If an Owner can provide video or photographic evidence of their allegation, it is not necessary to include a second Owner. However, photo or video evidence must be accompanied by a complaint in writing, on the form provided (see Appendix A). Please be as specific as possible in describing allegations; provide dates, times etc. Detailed complaints will assist the Board in their investigation and expedite the process. All alleged violations will be evaluated to ensure they are considered an ACTUAL infraction as defined by the Association's legal documents. **SEE APPENDIX A FOR REPORT FORM.

VI. ASSESSMENT COLLECTION POLICY & STANDARDS FOR PAYMENT PLANS

Prompt payment of Assessments by all owners is critical to the financial health of the Association, and to the enhancement of the property values of our homes. Your Board of Directors takes very seriously its obligation to enforce the members' obligation to pay assessments.

The Board has adopted this Collection Policy to discharge that obligation in a fair, consistent, and effective manner. The following are the Association's assessment collection practices and policies, pursuant to Civil Code Section 5310(a)(7) and payment plan standards consistent with Civil Code Section 5665:

1. Due Dates: Regular assessments are due and payable on the first day of each month. It is the owner's responsibility to timely pay for each assessment regardless of whether a statement is received. All other assessments, including special assessments, are due and payable on the date specified in the notice of assessment.

ARROWOOD MASTER ASSOCIATION

2. **Obligation to Pay:** Assessments, late charges, interest, reasonable collection costs, and reasonable attorneys' fees, if any, are the personal obligation of the owner of the subject property (the "Property") at the time the assessment or other sums are levied. (Civil Code §5650(a).) Owners shall be responsible for all such amounts unless it is determined that all assessments were paid on time to the Association. (Civil Code §§5650(b); 5650(a).)
3. **Late Charges:** Unpaid assessments are delinquent 30 days after they are due. (CC&Rs, Art. VII, §7.1); Civil Code §5650 (b).) A late charge of \$10.00 (or ten percent (10%), whichever is greater, will be charged for any assessment which is not paid in full within 30 days of the due date. (CC&Rs, Art. VII, §7.1; Civil Code §5650(b)(2).)
4. **Interest:** Interest on the balance due will accrue at the rate of 12% per annum commencing thirty (30) days after the assessment becomes due. (CC&Rs, Art. VII § 7.1); Civil Code §5650(b)3.)
5. **Application of Payments:** Any payments received will be applied first to assessments owed, and, only after the assessments owed are paid in full will the payments be applied to fees and costs of collection, late charges, and/or interest. Payments will be applied to assessments so that the oldest assessment delinquencies are retired first, unless the payment indicates that it shall be otherwise applied. A late charge may accrue if payment is not sufficient to satisfy all delinquent assessments, and the current month's assessment.
6. **Debt Validation Notice:** If any assessment becomes delinquent, the Association will send a debt validation notice that indicates the overdue assessment balance on the account.
7. **Partial Payments:** If a partial payment is received, the Association will accept the partial payment. If the partial payment is accepted, it shall not act as a waiver of the Association's right to require payment of all remaining sums.
8. **Delinquency Notice:** At the expiration of the validation period, any assessment that remains delinquent, the Association will send a notice regarding the delinquency, and demanding payment thereof, to the owner at his/her address or addresses on file with the Association. The owner will be charged a fee for such delinquency notice. If the amount set forth in the delinquency notice is not received before the due date set forth therein, the matter may be turned over to a collection agent or an attorney for further action, including legal action, or the Association may take such other collection action as it deems appropriate.
9. **Right to Submit Secondary Address:** Owners may submit a written request to the Association to use a secondary address. (Civil Code §5260(b).) Any such request must be delivered to the Association in a manner that complies with Civil Code Section 4035.

This request shall be in writing and delivered to the person designated in the annual policy statement, or if no person is designated to receive documents, to the president or secretary of the Association.

The Association will send notices to the indicated secondary address only from and after the point that the Association receives any such request. Nothing herein shall require the

ARROWOOD MASTER ASSOCIATION

Association to re-send or duplicate any notice sent to the owner prior to the date that a request for a secondary address is received.

10. Suspension of Privileges: Without prejudice to its right to continue with and/or take other collection action, in the event an assessment is not paid within 30 days of its due date, an owner's membership rights, including, but not limited to rights of use and enjoyment of the recreational common areas and common facilities may be suspended after notice and a hearing pursuant to Civil Code Section 5855 and Corporations Code Section 7341. The Association will not deny an owner or occupant physical access to his or her separate interest by way of any such suspension of privileges. (Civil Code §4510).
11. Pre-Lien Notice: Prior to recording a lien for delinquent assessments, the Association, its collection agent, or attorney will send a pre-lien letter to the record owner as required by Civil Code Section 5660 by certified and first-class mail to the owner's address of record with the Association. The owner will be charged a fee for such pre-lien letter. The Association may obtain a vesting report from a title company in connection with the preparation of a pre-lien letter. If a vesting report is obtained, the owner will be charged a fee for the report.
12. Opportunity to Meet and Confer: An owner may dispute the debt noticed in the pre-lien letter by submitting to the board a written request to meet and confer with a designated director of the Association pursuant to the Association's Internal Dispute Resolution established in accordance with Article 2, Section 10 of the Act (IDR) and/or a written request for alternative dispute resolution with a neutral third party pursuant to Article 3, Section 10 of the Act (ADR). (Civil Code §5660).
13. Right to Request a Payment Plan: Owners may submit a written request to meet with the board to discuss a payment plan. If such request is mailed within 15 days of the postmark of the pre-lien notice, the board will meet with the owner, in executive session, within 45 days of the postmark of such request, unless there is no regularly scheduled meeting of the board within that period of time, in which case the board may designate a committee of one or more directors to meet with the owner. (Civil Code §5665.) In addition to the foregoing procedure for requesting a payment plan, an owner may negotiate a payment plan with the Association's managing agent, attorney, or authorized collection agent. Any payment plan must comply with the Standards for Payment Plans set forth below.
14. Lien: If an owner to whom a pre-lien letter is sent fails to pay the amounts demanded therein within thirty (30) days from the date such pre-lien letter is mailed, a lien for the amount of any delinquent assessments, late charges, interest and/or costs of collection, including attorneys' fees may be recorded against the owner's Property. (Civil Code §5675). The lien is a continuing lien which secures subsequently accruing assessments. The owner will be charged a fee for such lien.

No lien will be recorded unless a majority of the members of the board of directors approves the decision to record the lien at an open board meeting. (Civil Code §5673)

15. Notice of Recordation of Lien: A copy of the lien will be sent to every person who is shown to be an owner of the Property in the Association's records, via certified mail, within ten (10) calendar days of recordation of the lien. (Civil Code §5675(e)).

ARROWOOD MASTER ASSOCIATION

Any lien recorded by the Association will remain as an encumbrance against the Property until the debt secured thereby is satisfied.

16. Dispute Resolution: Prior to initiating foreclosure of any lien, the association shall offer to the owner of the Property, and if so, requested by the owner, shall participate in IDR and/or ADR pursuant to Civil Code Section 5705. The decision to pursue internal dispute resolution or a particular type of alternative dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the Association intends to pursue judicial foreclosure.
17. Foreclosure of Lien: The Association will not seek to foreclose any lien through judicial or non-judicial foreclosure unless and until the amount of delinquent (Civil Code §5720(b)(2)) assessments secured thereby reaches \$1,800.00, or until the assessments are at least twelve (12) months delinquent. The decision to initiate foreclosure of any lien shall be made by a majority vote of the board members, in executive session.
18. Notice to Owner of Decision to Foreclose: If the board of directors decides to initiate foreclosure of a lien, it shall provide notice of such decision to the owner pursuant to Civil Code Section 5705(d). Such notice will be by personal service to an owner who occupies the Property or to the owner's legal representative. The board shall provide written notice to an owner of the Property who does not occupy the Property by first-class mail, to the most current address shown on the books of the Association. In the absence of written notification by the owner to the Association, the address of the owner's Property shall be treated as the owner's mailing address. (Civil Code §5705(d)).
19. Release of Lien Upon Satisfaction of Debt: Within 21 days of receipt of full payment to satisfy a lien, the Association will record a release of lien and provide a copy thereof to the owner. (Civil Code §5685(a)).
20. Right to Inspect Records: Owners have the right to inspect certain Association records pursuant to Civil Code Section 5205.
21. Association's Addresses: Any payments, notices or requests sent to the Association should be sent to the following address:

The Association reserves the right to change the amount of any collection fee or charge, without notice, and reserves the right to modify or amend this collection policy at any time.

ARROWOOD MASTER ASSOCIATION

23. Legal Actions: If a member is delinquent for more than 60 days, in addition to the Association's liability to collect delinquent assessments in the manners described in this Collection Policy and the Association's Governing Documents, the Association may, at any time, bring a legal action for collection of the delinquent assessments in the Superior Court or Small Claims Court. Such action shall be for the collection of the delinquent assessments, late charges, interest, collection costs, and attorneys' fees incurred by the Association before and during the legal proceeding in attempt to collect the delinquent assessments.
24. Cumulative Remedies: The Association's remedies for collection of delinquent assessments, including the remedies outlined above, are cumulated and in addition to any other rights and remedies which the Association may have under the law.
